

T-RANGER

Multi-Purpose 10.1-inch In-Store and Warehouse Tablet

Highly ruggedized and powered by a 10,000 mAh battery, the T-Ranger is designed to withstand the rigors of your operation all day, every day. Engage your customers at the curb, in the aisle or at the cash wrap. Use the onboard NFC reader or add an optional payment bracket to easily facilitate transactions wherever your customers want to shop. Choose the optional integrated 2D barcode scanner and unlock a powerful tool for seamlessly tracking inventory in-store, as well as streamlining receiving, picking and shipping operations within the warehouse. Gorilla Glass screen protection, 1.2M drop resistance and a hot swappable battery ensure your device is protected and always ready to go.

CHARACTERISTICS

1. Incredible connectivity
Bluetooth®, Wi-fi®, and NFC allow for any type of wireless connection, while HDMI, and two USB ports can connect to almost any wired peripheral

2. Integrated 2D Barcode Scanner
A fully integrated 2D barcode scanner makes the T-RANGER the ultimate data capture device, while the 10" screen enables the operator to easily work with the captured data

3. Slim & rugged design
A crack-resistant Gorilla Glass screen and integrated rugged bumpers protect the tablet from damage and accidental drops while maintaining a sleek and modern design

4. Customized accessories
Specifically designed to support customized expansion modules for different applications to suit your business needs

5. All day battery
The 10,000 mAh hot swappable battery extends operating time without interruptions
